

June 5, 2020

Hello Family and Friends,

It has been such a pleasure to see you and your loved ones having outdoor visits. I hope that everyone will have had an opportunity to have a visit by the end of next week.

There has been some confusion and questions about visitation since the media announced the changes to hospital visitation. Public Health recommendations for Long Term Care Homes remains restricted to outdoor visits only. The exception being indoor visits for compassionate and End-of-Life reasons only. We do not anticipate this changing anytime soon.

For those of you who have a loved one on Faith Lane and Hope Haven, the current physician is retiring as of June 26<sup>th</sup>. We are currently recruiting and it's looking positive that we will have another physician shortly. We will send an introduction once employment is confirmed.

The air conditioner installation has now been confirmed for Tuesday to Friday next week. We will have extra fans on the affected neighbourhoods during that time.

As always, please feel free to reach out to any member of the Leadership Team with any questions you may have.
