Communicating with your loved one during this time

Just a reminder to all families that the Life Enrichment team is scheduling video chats, phone calls and window visits to help you communicate with your loved one during this difficult time.

Please contact 204-668-7460 ext. 230 or email jzabudny@extendicare.com if you would like to set something up.

Please note that spots do fill up quickly so it is best to contact us a few days ahead of the date/time you may be interested in.
