February 14th at 10:30am –Worship Service

February 21st at 10:30am – Anglican Service

February 22nd at 10:30am – Roman Catholic Mass

February 28th at 10:30am - Golden Opportunity Ministry Group

A FRIENDLY REMINDER TO ALL ELDERS AND FAMILIES...

All items brought to the Home must be labeled with your Elder's name and suite number. Please leave clothing items with any team member and they will ensure these items get sent down to label. Toiletry items must also be labeled. Families are responsible to ensure eye glasses, hearing aides and dentures are labeled.

When an item is labeled it is easier for staff to identify who the item belongs to. If an item goes missing please report to your nurse on the neighbourhood. Our Home is not responsible for missing or lost items but we will conduct a search of all areas in the Home to search for the missing item.

Upgrade to our Fire System

As you may know, we are upgrading our fire system to a new and improved system. Elders and family will notice a change from the large red alarm bells to a small white alarm with a strobe light. Please be aware that the sound of the fire alarm will also be noticeably different.
