Lost and Found Clothing

A reminder to look through the unlabeled clothing on the clothing rack in the Gathering Room. If you find something that belongs to your loved one, please take it to the Neighbourhood staff and they will send it to get labeled.

Fragrance Free

Please be reminded that we are a fragrance, scent free home. Using these products creates an unhealthy environment for those who cannot physically tolerate them.

We may not be able to eliminate all fragrances and scents but we must strive for the least possible.

A reminder that families may access our Life Enrichment Calendars as well as our Menu on our website

Neighbourhood BBQs

Thank you to those families who purchased tickets and attended our Neighbourhood BBQs in July!

It's so nice to be able to welcome the families to programs again!

Community Canvas Art Program

On August 22nd we will be hosting an art program organized by a group of students from various post secondary institutions. The goal of the program is to provide connection between the Elders and youth from the community, as well as opening dialogue between both parties.

The group is wanting to advertise this initiative through various social media platforms by using photos of the program.

If your loved one has shown interest in participating we will be contacting you shortly for signed consent on whether or not they may use your loved one's photo.

If you have any questions, please see Julie, Life Enrichment Supervisor.
